

CHIPPER PROGRAM **FUNDRAISER**

MAKE YOUR TAX-DEDUCTIBLE DONATION TODAY

<https://www.facebook.com/buttefiresafe>

We are raising funds to support the Chipper Program through the winter and spring of the coming year. The Program will assist residents in the Wall and Ponderosa Fire areas of 2017 with vegetation removal and clean up. The program will also provide chipper services to residents in communities at risk to wildfire in Butte County.

The Butte County Fire Safe Council's Mission is to provide safety in Butte County through wildfire hazard education and mitigation. Our goal is to improve forest health and reduce wildfire severity through hazardous fuels reduction projects. We are a non-profit community organization.
