

Living with Fire in Butte County

Concerned about wildfire?

Please join us on Wednesday, December 3rd for the second annual Butte County Wildfire Safe Summit, "Planning for Wildfire Safety—Applying Lessons Learned."

This is your opportunity to guide the development of Fire Safe Goals and Policies for Butte County's General Plan 2030.

Together we can create plans that will reduce wildfire devastation to our communities and landscape.

Please RSVP by Tuesday, November 25th; lunch will be provided with RSVP. The

location of the event will be announced.

For more information, or to phone in your RSVP, call 877-0984.

You can make a difference

Your tax-deductible contribution to the Butte County Fire Safe Council will support local wildfire safety programs and projects.

An envelope is enclosed for your convenience.

Here's how the chipper program works:

FREE!

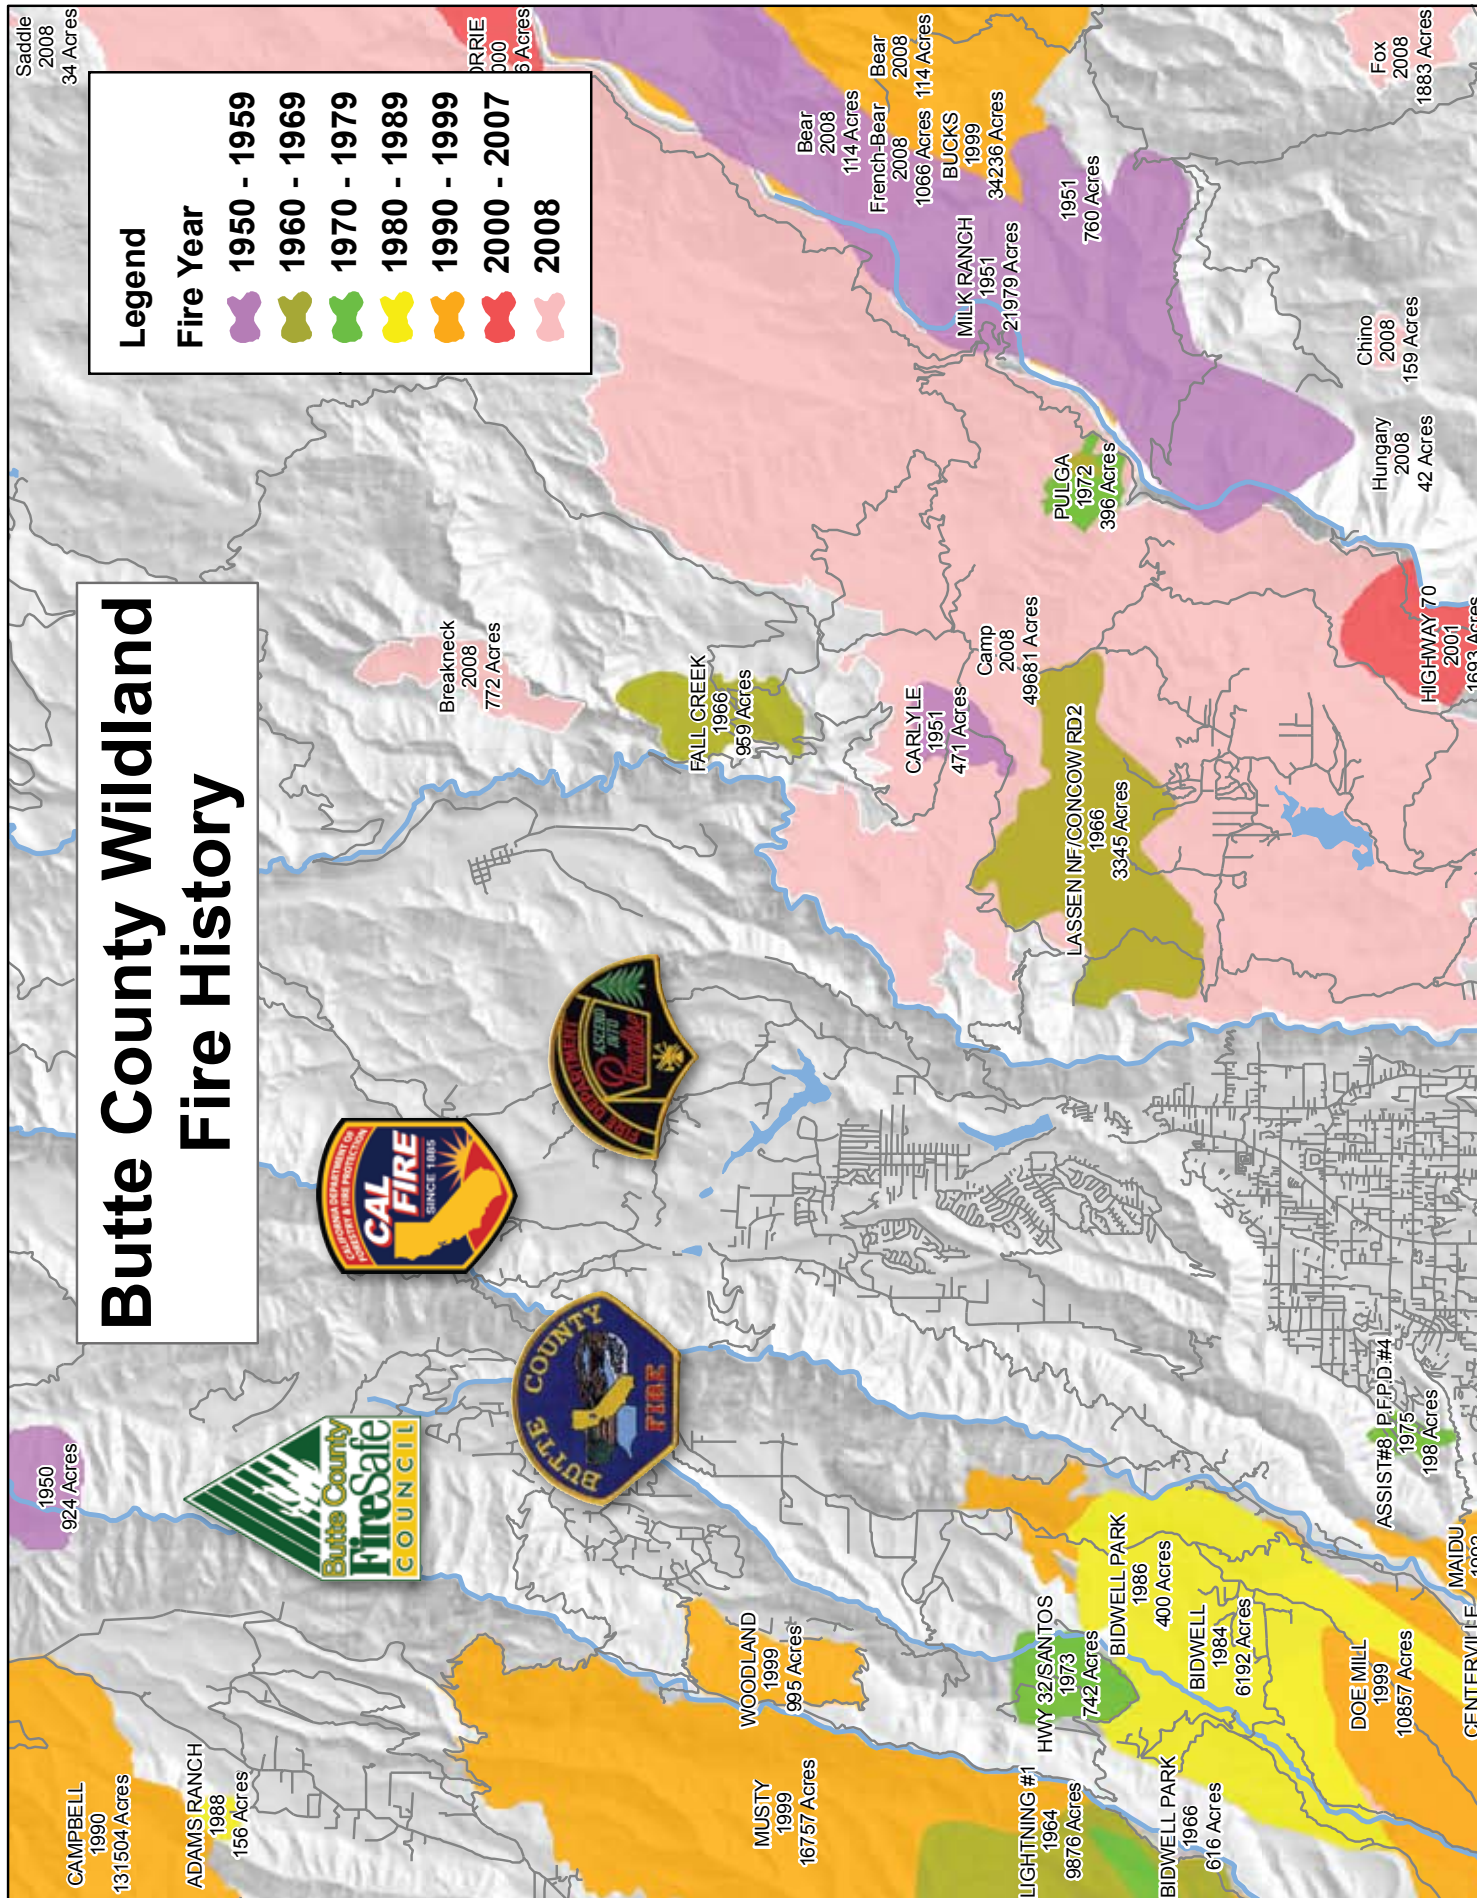

- ⇒ Stack cut brush and limbs in a row within five feet of the road or driveway edge.
- ⇒ All cut ends of brush and limbs should face the road or driveway.
- ⇒ Rows should be stacked no more than four feet high.
- ⇒ Keep mud, rocks, roots and rootballs out of the rows.
- ⇒ Keep poison oak out of the rows.
- ⇒ Locate the rows so the truck and chipper can easily access them; *no off-road locations allowed*. Rows should look like the photo at left.

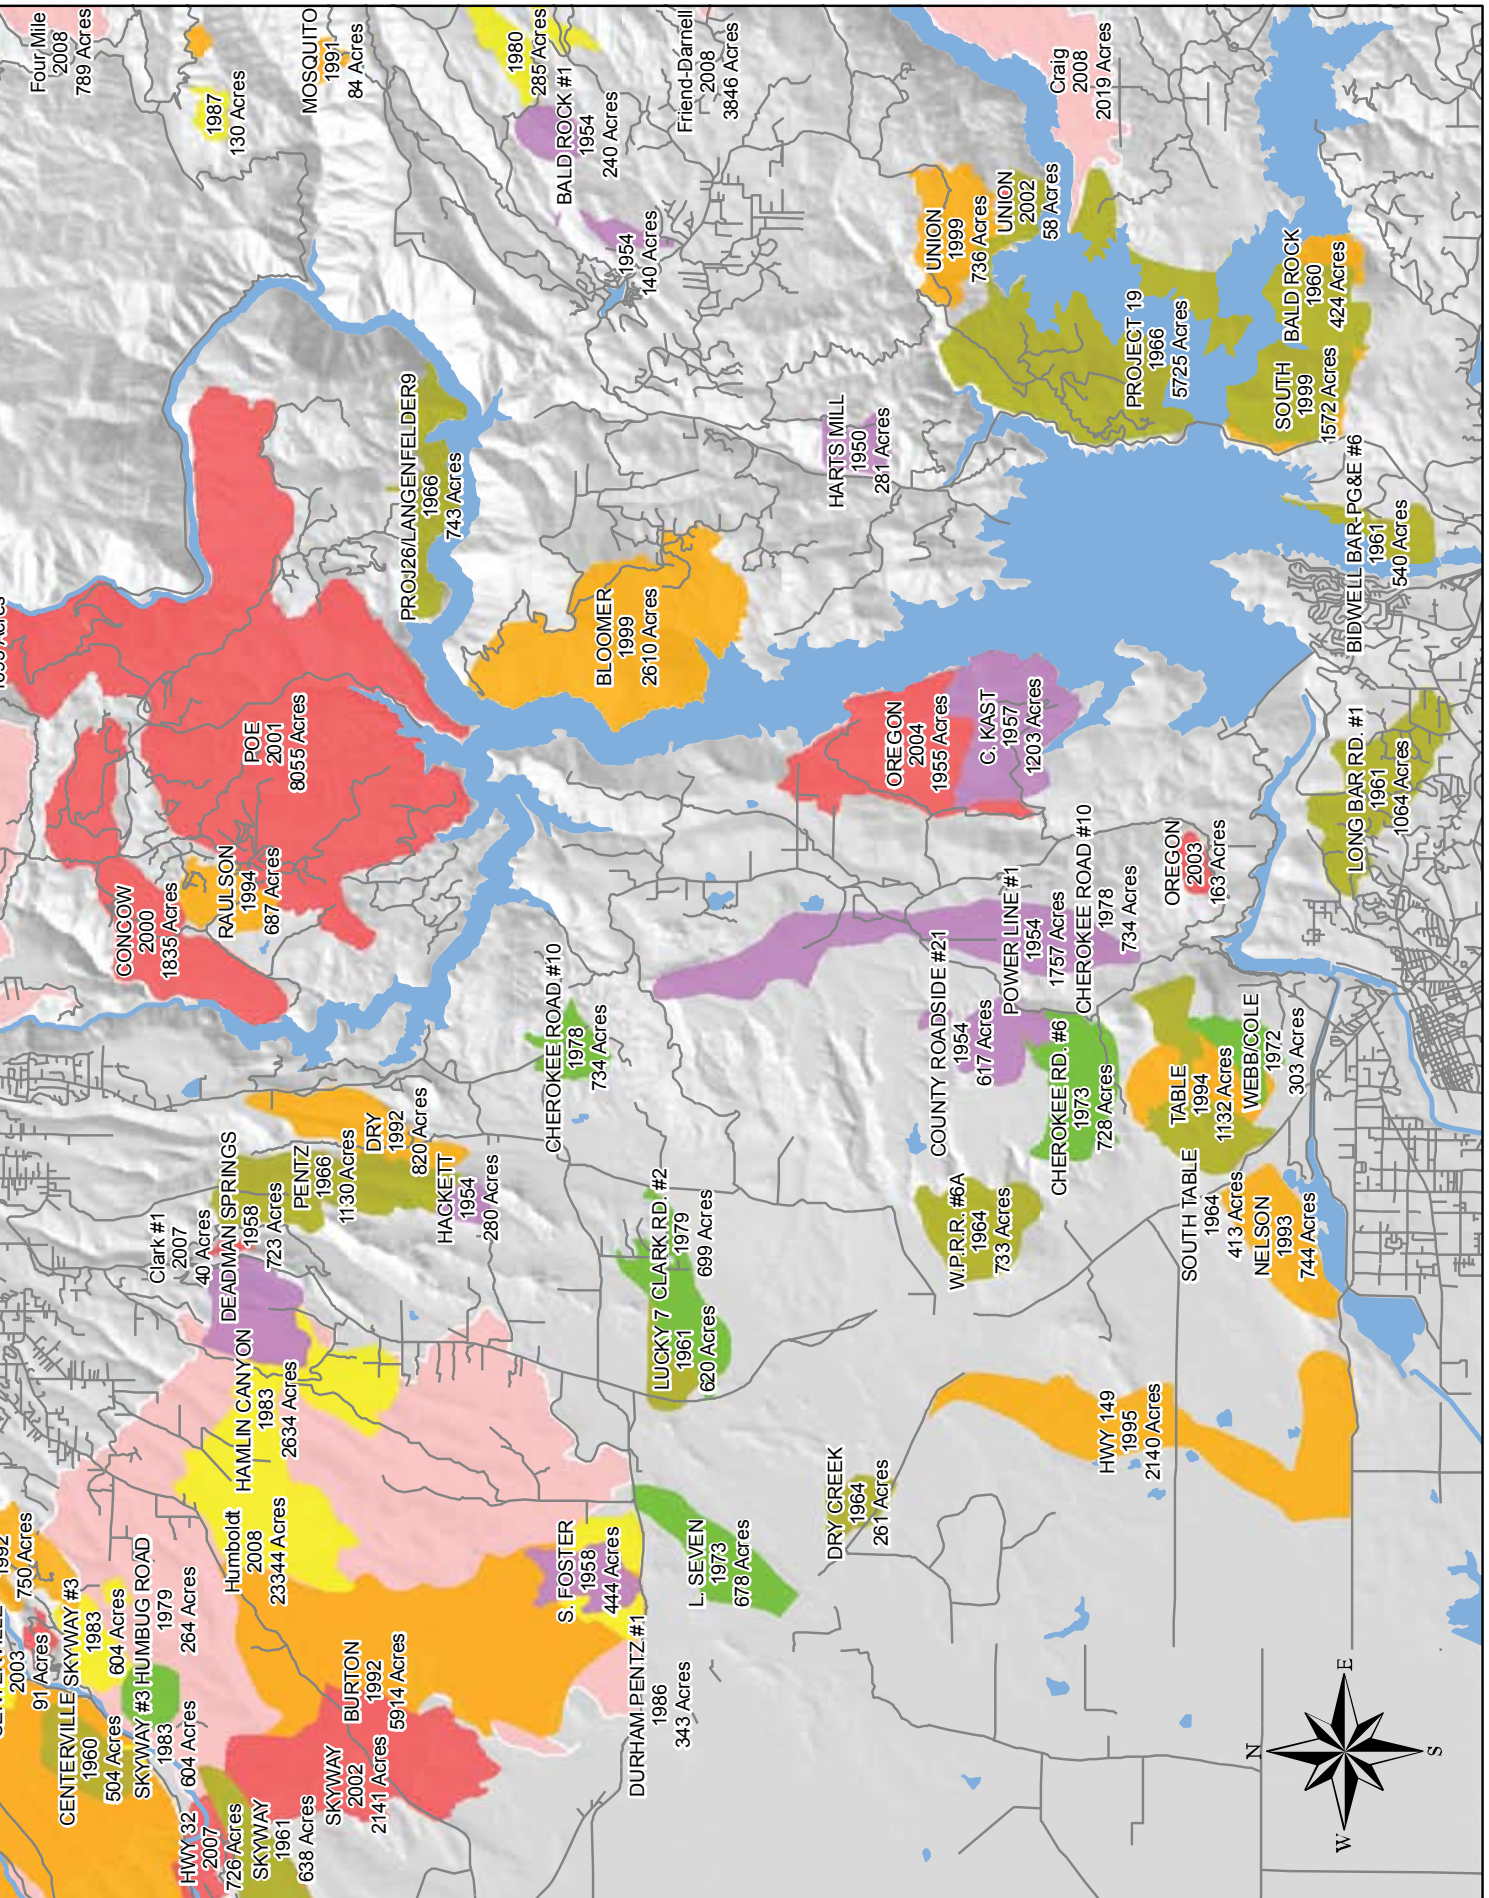

Call the Chipper Hotline: 877-0984

1. The Chipper Program operates from the end of fire season, typically in November, through May 15.
2. How to stack rows for the Chipper Program:
 3. Please note that the chipped material will be broadcast in the area, not hauled away.
 4. The Chipper Program does not provide chipping for orchard material or timber harvest material.
 5. Limbs up to eight inches may be chipped.
