

Wildland Fire Assessment Program (WFAP)

A Train the Trainer In-Person Workshop

A free workshop for community leaders! Learn how to conduct fire-safe home assessments that cover essential defensible space and home hardening topics. Participants will complete online modules, prior to workshop. This in-person component of the training will include group discussion, guest speakers, and two practice home assessments.

Friday, April 14th, 2023

9:00am -3:00pm

Magalia Community Center

13917 South Park Drive
